## Cohen's Lottery and Exchange-Office.

Hoc signo Fortuna.

BALTIMORE—THURSDAY, JUNE 9, 1825.

## To Companies and Individuals.

The superior advantages of the *Odd and Even system* is every day more and more apparent; and for the accommodation of Companies and Individuals, who may not wish to advance the whole amount of the cost of tickets in the GRAND STATE LOTTERY of Maryland, No. 5, but only to pay the difference between that sum and what the tickets must necessarily draw, we have prepared CERTIFICATES for that purpose, and in this Lottery (and it is the only scheme in which they can be so prepared) adventurers can be supplied with them for any number of tickets, from two, upwards, at the following rates, viz.

Certificate for Two whole tickets	\$6 60
Do. for Four whole tickets	13 20
Do. for Six whole tickets	19 80
Do. for Eight whole tickets	26 40
Do. for Ten whole tickets	33 00

And in the same proportion for any quantity of whole tickets.

## SHARE TICKETS, viz:

Certificate for Two Halves	\$3 30
Do. for Four Halves	6 60
Do. for Six Halves	9 90
Do. for Eight Halves	13 20
Do. for Ten Halves	16 50

And in the same proportion for any quantity of Half tickets.

Certificate for Four Quarters	\$3 30
Do. for Six Quarters	4 95
Do. for Eight Quarters	6 60
Do. for Ten Quarters	8 25

And in the same proportion for any number of Quarters.

For Example; the cost of two whole tickets, (one odd and one even,) is ten dollars—one of them MUST draw a prize at least of Four dollars, which (after deducting the 15 per cent. to the State) is nett \$3<sup>40</sup>/<sub>100</sub>—therefore, instead of paying the whole sum of ten dolls. the adventurer need pay only \$6<sup>60</sup>/<sub>100</sub>, inasmuch as the two tickets which we retain, (giving him a certificate of the Nos.) must produce the remainder, say the \$3<sup>40</sup>/<sub>100</sub>, which would be due to us—When the drawing is over, if the two tickets produce more than the \$3<sup>40</sup>/<sub>100</sub>, the SURPLUS would be the gain of the adventurer, to whom the amount would be remitted, or paid on presentation of the Certificate, and in the same manner for any greater number of whole Tickets, and in the same proportion for share tickets.

ORDERS for Certificates, enclosing the Cash or Prizes in any of the Lotteries, post paid, will meet our accustomed prompt attention.—Address to J. I. COHEN, JR.—Baltimore.

The Executive Committee of the Bunker Hill Monument Association have given notice, that the CORNER STONE OF THE MONUMENT will be laid, with Masonic ceremonies, on the seventeenth day of June—being the fiftieth anniversary of the battle—in the presence of the Association, of the SURVIVORS OF THE BATTLE, and of such distinguished persons as will be invited to attend this solemn celebration. General LAFAYETTE is to be present on this interesting occasion.

Masonic Munificence.—The Wilmington College, Del. was a few days since offered for sale by the sheriff of the county. Previous to the hour of sale, the amount of the debt due, and to satisfy which the sale was to have been made, was paid by a committee of the Masons of that borough.

## Extract from the Review

OF THE

## BALTIMORE MARKET,

FOR THE WEEK ENDING JUNE 6th, 1825.

(Compiled for the Baltimore Patriot.)

COTTON.—We have no import to notice; neither do we alter our quotation—no actual sales have come under our observation, but our letters from New York, evince the greatest anxiety and impatience for the arrival of the 1st of May packet from Liverpool, although the advices by her, will only bring our intelligence some three or four days later than already received. Although we still think the speculation in this article is not bottomed on a solid basis, yet it is quite probable, that prices might not have declined in the English market prior to the first of May—that circumstances depending almost entirely on arrivals, which might, or might not be retarded beyond that period.

Upland, fair quality,	25 a 28 cents per lb.
Louisiana,	28 a 31 "
Tennessee,	25 "
Alabama,	25 a 27 "
Sea Islands,	none "

DRY-GOODS.—There being no country purchasers in this week few private sales have been effected, other than at retail—The importers from a knowledge of the value of goods abroad are not disposed to push sales, and our buyers are too prudent to buy any goods they are not in immediate want of. Some large sales have been made at auction, principally of such description of goods as are wanted only for summer wear, and prices have not given way. Domestic Cotton and Woolen goods have not advanced in this market equal to the rise of the raw material. The sales of foreign and domestic goods for exportation have not been heavy this week.

FLOUR.—The arrivals of Howard-street for the past week have amounted to about 3200 bbls. and the amount received per the Susquehanna is stated to be about 3000 bbls. at least for the past week—The arrival of Susquehanna Flour always creates sales, and accordingly we have had more activity in flour than for three weeks past. Many vessels in the coasting trade are in port and taking in cargoes of flour. The sales and the coastwise export have been free. The transactions in the city flour have also been larger and at nearly the same rates as Howard-street. It will be seen Howard-street flour is lower in proportion to other sorts than usual.—Holders are not anxious to sell at present rates.—The supply of all sorts has been about 13000 bbls. for the week past—the whole stock in market at this time from the best calculation is about 65,000 bbls. We quote from large and actual sales.

Sup. Howard-street, per bbl.	5 a 5 12 <sup>1</sup> / <sub>2</sub>
Sup City. per bbl.	4 88 a 5
" Susquehanna, "	4 88 a 5

GRAIN.—Wheat—The arrivals here per the Susquehanna have been about 2000 bushels the past week. The other arrivals 8000 bushels.—Large quantities of the Wheat which came down the river last week, were sold and sent to Philadelphia. We quote from sales.

Red, per bushel,	101
White, "	106 scarce.
Rye—Little doing and arrivals small, per bushel	45
Oats—Sales per bushel,	30
White Beans—Scarce, per bushel,	1 12

Corn—The arrivals have been about 25000 bushels for the past week of all sorts. Taking the prices and demand, east and south of us as a criterion, together with our own supplies, it is expected Corn

will improve. We have heard of large sales at 41 cents, and smaller ones at 42 a 43 cts. per bushel.

TOBACCO.—But little variation in the prices of Tobacco since our last report. The market remains steady, with a little more activity the past week—We have heard of sales of about 300 hhds. The stock now in the Warehouse is estimated at 6000 hhds. at least.

WHISKEY.—The arrivals the past week, total of all sorts is 165 hhds. 1650 bbls. We seldom have seen such firmness in the holders, when so large a stock has come to market.—There are purchasers ready to take all here at equal to 22<sup>1</sup>/<sub>2</sub> cents in hhds. There may be arrivals of more down the river, but it is fair to say that considering the season is advanced and the prospect for good sales much diminished—and most of the stock now here having cost equal to 24 a 24<sup>1</sup>/<sub>2</sub> cts. at least, in hhds. therefore not much more will reach here. We notice an improvement in the article at New Orleans. Our inspectors take no notice of the degrees above 1st, and less than 2d proof. At our quotation for Whiskey there is no charge for casks. The transactions have been quite limited, and we quote,

Hhds. 1st proof,	23 cents.
Bbls. 1st	24
4th.	40 new
do.	65 old.

## The great demand for Tickets

in the GRAND STATE LOTTERY, No. 5, continues, and as Tickets may rise again before we have the opportunity of informing some of our most distant friends, we now suggest to them, to send on their orders without delay—the Scheme offering ADVANTAGES SUPERIOR TO ANY LOTTERY ever before the public, each day, brings an increased demand—the scheme, in fact, is unprecedented—the risk very trifling, NOT ONE BLANK TO A PRIZE! and no prize lower than FOUR DOLLARS. The magnitude of the capital prize of

## FORTY THOUSAND DOLLARS!

is unprecedented for a Five Dollar ticket—added to this, is the expedition of the drawing (ALL IN ONE DAY) and the certainty of obtaining at least one prize by purchasing 2 tickets or 2 shares, and in the same ratio for any greater number. The regular distribution of the small prizes to every alternate number in the lottery, is an advantage enjoyed by this scheme only.

Whole ticket \$5, may obtain the capital of FORTY THOUSAND DOLLARS!

Half Ticket \$2 50, may obtain TWENTY THOUSAND DOLLARS!

Quarter ticket \$1 25, may obtain TEN THOUSAND DOLLARS!

Eighth ticket only 62 cts. may obtain FIVE THOUSAND DOLLARS!

Orders from any part of the United States, either by mail, post paid, or by private conveyance, enclosing the cash or prizes in any of the lotteries, will meet the same prompt and punctual attention as if on personal application, addressed to:

J. I. COHEN, JR.—Baltimore.

## POSTSCRIPT—Latest from Europe

The packet ship Canada, Capt. Rogers, arrived last evening from Liverpool, having sailed thence on the 1st of May.

The Cotton market continued much in the same state as at previous advices. The sale of the week ending April 30th, consisted of 30,712 bales—and included 14812 bales Uplands at 14<sup>1</sup>/<sub>2</sub> to 19d; 3562 N. Orleans, 16 to 22d; 1911 Tennesseees, 16<sup>1</sup>/<sub>2</sub> to 19d, and 175 bales Sea Islands, 2s 8d to 3s 3d.

## MODE OF DRAWING:

The Numbers will be put into one wheel as usual—and in the other wheel will be put, the Prizes above the denomination of Four Dollars, and the drawing to progress in the usual manner. The 20,000 prizes of \$4 will be awarded to the odd or even Numbers in the Lottery. (as the case may be,) dependant on the drawing of the Capital Prize of FORTY THOUSAND DOLLARS—that is to say, if the 40,000 dollar prize should come out to an Odd Number, then every Odd Number in the Scheme will be entitled to a \$4 prize.—If the 40,000 dollar prize should come out to an Even Number, then all the Even Numbers in the Scheme will be each entitled to \$4.

Odd Numbers are those ending with 1, 3, 5, 7, or 9.

Even Numbers are those ending with 2, 4, 6, 8, or 0.

This mode of drawing not only enables the Commissioners to complete the whole Lottery in ONE DRAWING, but has the great advantage of distributing the small prizes regularly to every alternate Number in the Scheme, so that the holder of Two Tickets or Two Shares of Tickets (one odd and one even Number) will be certain of obtaining at least one Prize, and in the same ratio for any greater quantity.

A Ticket drawing a superior prize in this Scheme is not restricted from drawing an inferior one also; many Tickets therefore, will necessarily obtain TWO PRIZES EACH!
